This years version of Rex Putnam Football was successful if overall record is the evaluation.

They opened the season with a smashing upset of highly regarded Reynolds 33-19. And finished the season with a 42-13 romp over barlow.

In between those two crunching wins, the Kingsmen played very inconsistently. They defeated Oregon City, Clackamas, and West Linn all by small margins, and lost to Lakeridge, Milwaukie, and Lake Oswego.

In the Kingsmens wins outstanding performances were turned in by backs Tim Reardon and Bill Beckgren, and Defensive standourts Todd Montgomery, Phillip Brown, Mark Helbig, and Blake Lemmons. All these players gained all leagues honors as did Tom Ermini, Keith Wolf, Larry Booth and Laury Angelos. The final record was 6-3.

This year girls Cross Country team had more participants and were stronger than any other team in Rex Putnam history. The girl's varsity team compilied a season record of seven and six over all, and made a fine showing by placing sixth in the district meet. The Junior Varsity team added some punch to the girl's program, achieving a record of twelve wins and one loss. In their division of their district meet the J. V. team placed 2nd. A highlight in the varsity season was a record-breaking district run by Alice Herauf with a time of 12:26. Alice was also an All Wilco League selection. The girl's have improved tremedously over last year, and have set next years goals already, to strive for a state meet berth.

In only their fourth season of competition, the Rex Putnam Volleyball Squad landed a fourth place title in the state tournament. After a slow start in the season, the girls came through with a 15-5 over all win-loss record. The team showed their strengths in working together and producing the strongest team at Putnam yet. The seniors on the team made quite a showing in their last year at Putnam as Mary Glenn and Lynne Holzfuss were voted to the 2nd All-State team. Keely Spears was awarded 1st team All-Wilco laurels along with Glenn and Holzfuss as Putnam dominated the Wilco All-Star team.

This years girls gymnastics team did not prove to be very competitive in dual meets, but over all had a successful season.

The team was unable to win any meets during the regular season, but Shelly Brannan, Tracy Morris, and Nancy Pryor all took firsts, seconds, and thirds, throughout the season.

At subdistrict, Brannan qualified for district by placing 2nd overall. At district, Shelly qualified for the state meet in floor exercise, vaulting, and beam.

At the state meet, Shelly did very well taking second on the floor and second vaulting. However, a back injury prevented her from competing on the beam.

Brannan showing placed Putnam as a team 7th in state. "We got off to a slow start," said Coach Stephanie Summers, "but then a few more girls came out which helped alot."

The only Senior on the squad was Tracy Morris, so next year the team could prove to be tough.

Miss Detention "77"
You are a real screwball. you also need a psychiatrist (Shrink)
for skipping so much. Oh well it's your life. Have a
fun time in detention. ~~instead of~~ el would have said

As fifth place finishers at the State meet the year before and the reigning Wilco League Champions, the 1976-77 Kingsmen wrestling program was aiming for high finishes in post season tournaments. The combination of tough competition in the Wilco League and the lack of depth in all weights limited both individual and team success.

A nucleus of only 17 wrestlers completed the entire season. They had a combined record of 191-127-8 winning 60% of the matches wrestled, but accomplished a frustrating 6-8-1 season dual meet record finishing 4th at Sub-District, and 32nd at State. The team sent eight grapplers to District with Ron Uhl and Steve Beranek going on to the State Meet. Placing at District were sophmore Gary Ward, 5th: junior Dave Beranek, 4th; junior Tom Stewart, 6th; junior Ron Uhl, 2nd; and seniors Todd Montgomery, 5th; and Steve Beranek, 1st. Placing at State were Ron Uhl, 7th and Steve Beranek, 4th, both wrestlers lost to eventual finalists.

The Most Falls trophy went to Todd Montgomery and Steve Beranek, with the Most Aggressive trophy going to Gary Ward. Ron Uhl and John Archer were selected as Most Improved, and Steve Beranek as Most Inspirational and Most Valuable.

With the return of eight Sub-District placers, 4 District placers, ten varsity lettermen, the 1977-78 grapplers should be competitive at both the District and State Meets.

The 76-77 Varsity Basketball squad had a season of frustration and satisfaction, due to the lack of experience on the team. The season should be considered a building year for the program. With only three seniors graduating, the Kingsmen are returning a host of juniors and sophmores for next years squad.

When speaking of win-loss records, the Kingsmen did not tear up the league but they did have some high-points along the way. One of the high-points was a victory over the state tournament bound Milwaukie squad.

Some outstanding performances were turned in during the season, and these efforts were recognized at the awards banquet: Mike Peregrin was awarded Most Improved, Tim Reardon Most Inspirational, Rich Riess and Mike Cach Best Defensive Players, and Rich Riess Most Valuable Player.

After only their second year of competition, the girl's basketball team finished 1st in their division and 2nd in district. The girls lost to Centennial in the finals at the district play-off, 54-48. Centennial went on to take 3rd in state.

The K-Gals ended up the season with an 11-1 league record, losing their only game in an upset to Milwaukie. Their overall season record was 15-6.

The K-Gals had a young team this year, with only two graduating seniors, Debby Jackson and Lynne Holzfuss. Both of these girls were starters and had a terrific season. Returning next year will be Junior playmaker Alice Herauf, Junior J'Leane Goold, Sophomores Martha Spitulski, LouAnn Garvin, and Tammy Legg; and Freshmen Julie Gray, Winene Marshall, and Tammy Schrieder.

In Wilco All-Star balloting this year Lynne Holzfuss and Alice Herauf were voted to the 1st All-Star Team and Martha Spitulski was voted to the 2nd All-Star Team. Chosen as Most Valuable for this year's team was Lynne Holzfuss, and Debby Jackson was chosen Most Improved.

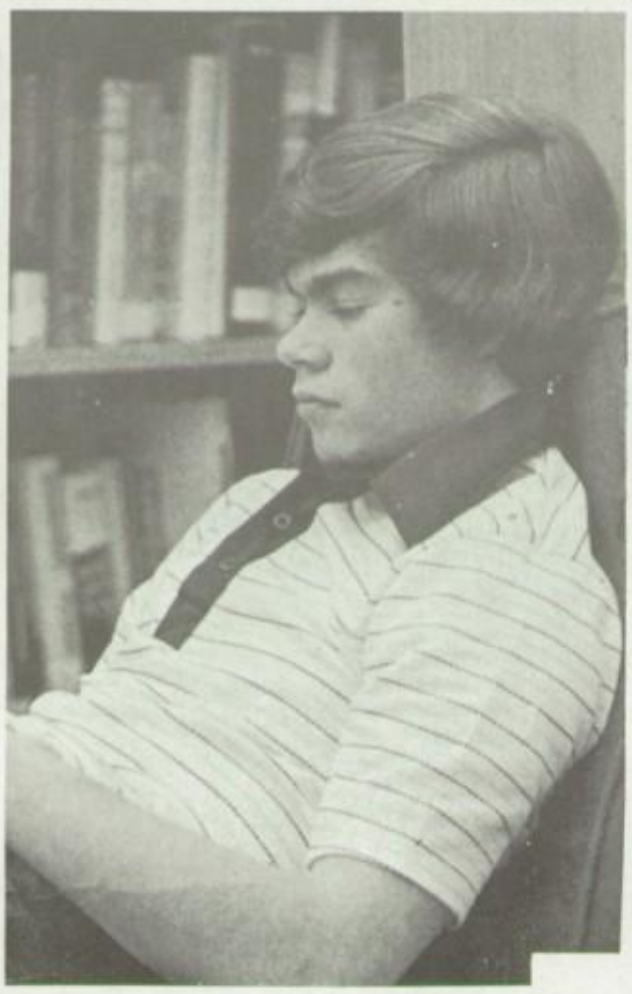
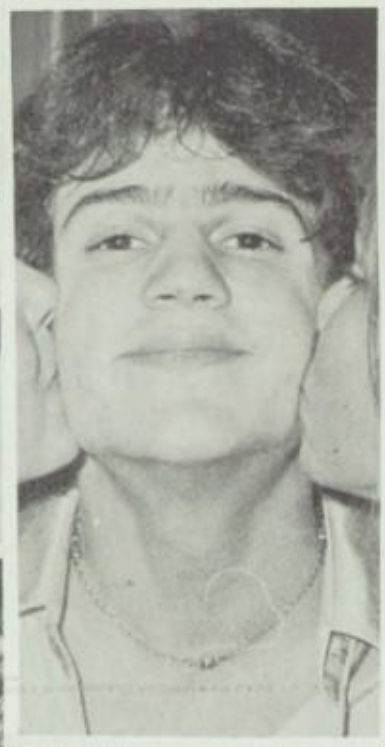
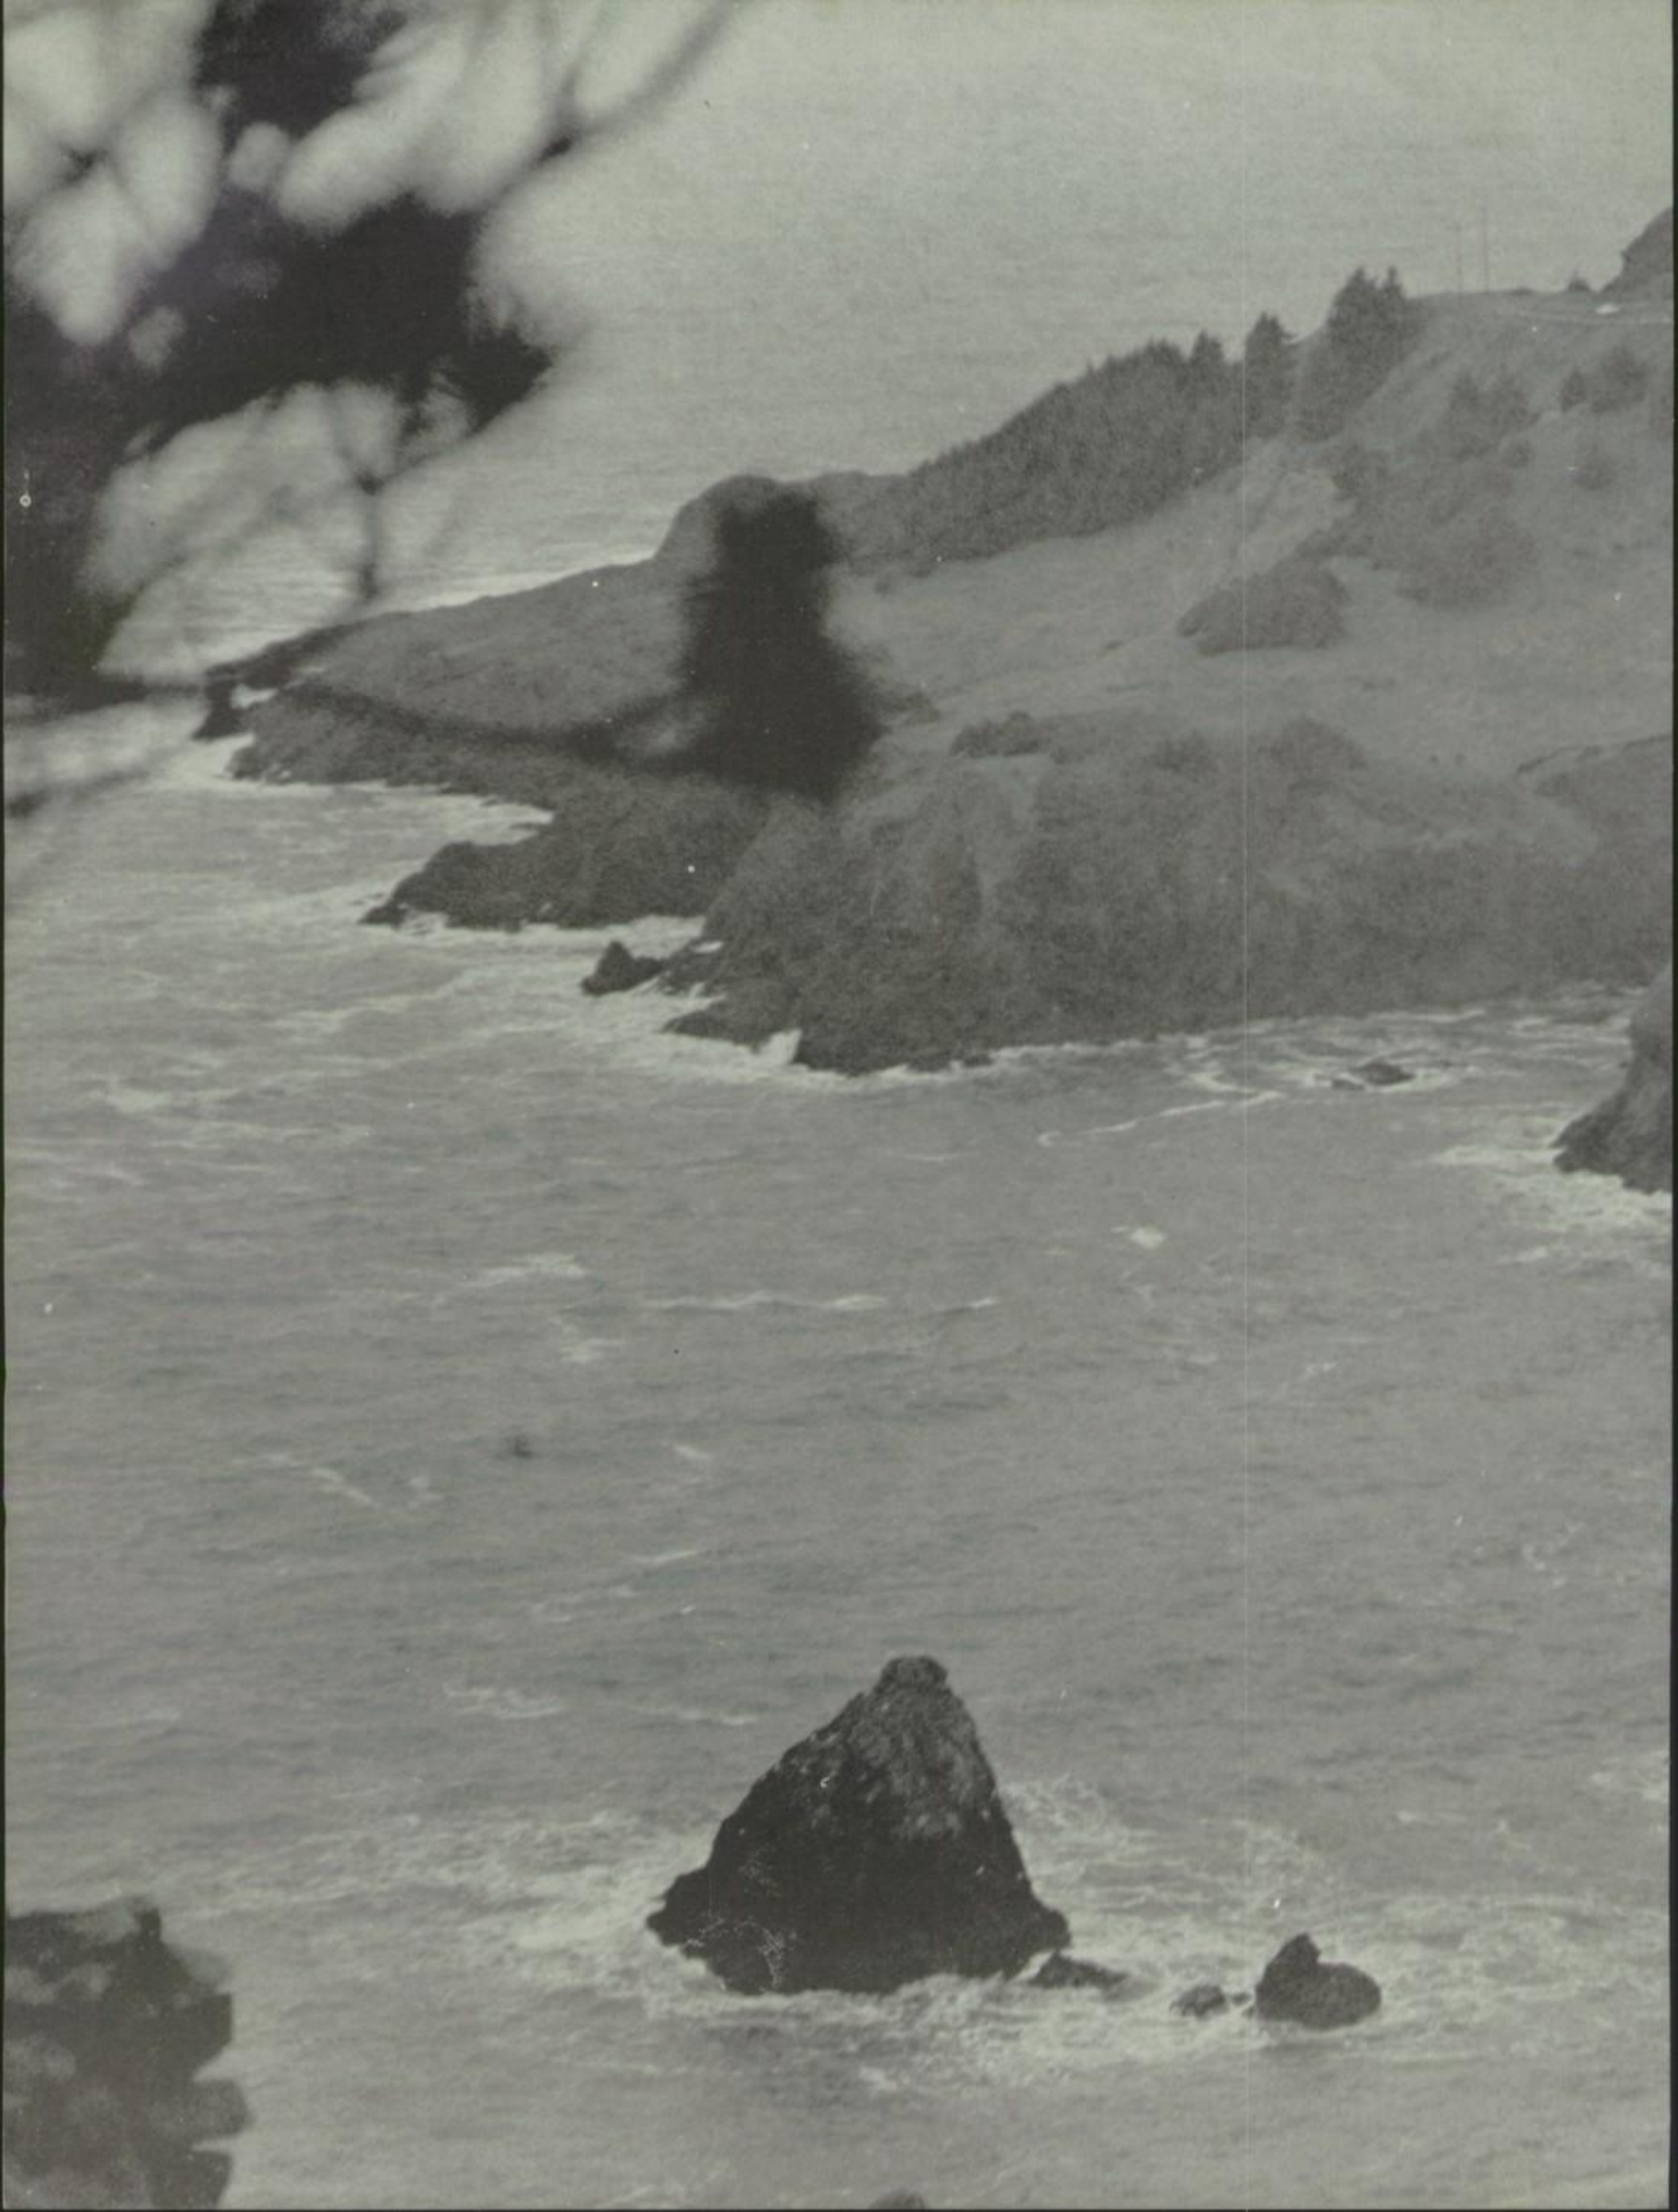
REMEMBER WHEN ....



Diana





It's time to leave. . .
Our beginning is
coming to a close
and so we look
toward tomorrow. . .

But let's look at
yesterday and today.
We arrived here alone
and began our adventure
together slowly,
carefully,
not sure of what
was expected or sure
of what we wanted.

But during our time
we gave up our
loneliness and insecurities.

We gained new friends,
confidence in ourselves
and a special feeling
which cannot be defined
by words. . .
We leave so much stronger
for we have shared deeply.
I look at all of you and
smile. . .
for you are my friends.

Thanks for
be so nice to
me will have to
go smoke one this summer
so call me sometime (655-1775)
have a nice summer. Letter.
